

NVTC's Pathway to Building the National Capital Region's (NCR) **Next-Gen Vibrant Technology Community**

OUR VISION

To be the most vibrant and collaborative technology community in the world.

OUR MISSION

Accelerate technology innovation and promote world-class workforce development to create a thriving technology ecosystem in the national capital region.

“**The success of our future** is dependent upon and will be driven by the next generation of talent. We must invest in the next generation and provide them with the tools and resources to help this region thrive.”

OUR INNOVATION DESTINATION

WORKFORCE

- ▶ Attract, develop and retain talent and close the skills gap within NCR
- ▶ A diverse tech workforce reflective of the general population
- ▶ Go-to-resource for career development and education

ECONOMIC GROWTH

- ▶ Greater access to capital for young companies
- ▶ Leader in shaping tech innovation public policy
- ▶ Incubate growth of technology companies in the region

COMMUNITY

- ▶ NCR is the best place to live, work, and learn
- ▶ Equitable practices to improve technology access
- ▶ Best-in-class infrastructure and transportation in the NCR
